BUILDERS PUT UP PRICES. WASHINGTON, June 20. - Materia and labor have advanced so that Treas ury officials are considering whether any public contracts shall be let except in cases of absolute necessity. Builders all over the country have increased prices from 25 to 80 per cent., and the department finds that prices of labor and material seem to justify it.

Wheels Skidded and Caused Accident-Driver Hade Taken to Hospital.

One fireman was severely injured and five others more or less cut and bruised to-day when Hook and Ladder Truck No. 16 smashed full tilt into an "L" pillar at Sixty-seventh street and Second avenue, while going to a small blaze at Sixty-sixth street and First

John R. Hade, driver of a truck, who lives at No. 23? East Eighty-fifth street, was thrown from his high seat and his head struck the curb. He was taken to Presbyterian Hospital in a semi-conscious condition. The other five men on the truck were all pitched off, but escaped with less serious injuries and returned soon afterward to duty.

The Hook and Ladder Company was close in the wnie of the engine company that was going at a mad gallop to the fire. Driver Hade prepared to make the turn around the corner at Sixty-seventh street, but the wheels skidded. Two of the three horses were thrown against the "L" piliar and down they went.

The ambulance surgeon said Made's bead was badly injured, but did not think his skull was fractured. John R. Hade, driver of a truck, who

Corpse of William Fands Picked Up in East River.

The body of William Fands, captain of the scow F. H. Hand, was found floating in the East River at the foot of East Forty-ninth street to-day Fands was fifty years old.

Two cards were found in the pockets -one bearing the name of M. D. Nit-pen, No. 157 Madison avenue, the other the name of Charles Lang, No. 400 East Sixty-first street. A picture was sewed in a pocket with the name of Louis King on it.

#### SUMMER DANGERS.

During the warm months disease germs always breed more rapidly than at other times, thus causing most of the sickness that appears.

See that in all cleaning water, as well as all sinks, tollets, &c., you add a little C. N. Disinfectant, non-poisonous, and you will keep your home healthy, as disease germs and insects cannot five
